Welcomes
July 2023 Weir Farm Artist-in-Residence
[Todd Bartel](#)

Artist^{IN} RESIDENCE

Weir Farm

Todd Bartel's work assumes the forms of painting, drawing, and sculpture in a collage and assemblage format. His work investigates the interconnected histories of collage and landscape and the roles of nature and natural resources in Western culture. "My research-based studio practice questions the ways in which natural resources are consumed and how the surface of the planet is maintained," says Bartel. "I am driven to find and celebrate examples of human insight, sublimity, poeticism, morality, and spirit."
